

User: _____

Password: _____

1. Your child has a school issued secure login that is unique to them.
 - Elementary Parents: Login information is included with your school packets of books and supplies.
 - Secondary Parents: Students use the login information they use on their Chromebook at school

2. Click on the Google Chrome browser icon .

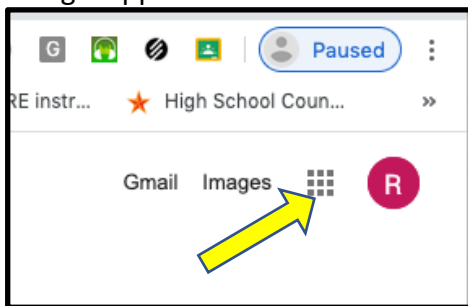

3. Type google.com in your browser address bar.

4. Click on the “Sign In” button in the right corner.  Enter your CHILD’S “columbuschristian.com” email address, Click NEXT. Enter your child’s password, click NEXT.

5. Now you’ll see you are signed into your Google account.

6. Click on the 9 squares (Waffle/Rubik’s Cube) icon in the top right corner to see the Google apps.

5. Choose the Classroom app, and choose the Classroom you want to enter.

*****Video Conferencing will be part of the daily class time with each teacher. You will need to download the zoom.us app on your device to participate.**

- Elementary students – Your teachers will post their “zoom” times in your Google Classroom.
- Secondary students – Your teachers will host Zoom videoconferencing each day at your regular class time.

Important Note: Google Classroom has a free app that can be downloaded on smartphones and tablets. Features are very similar to the computer version, and may be easier for our elementary students that are accustomed to using tablets, iPads, and phones
